SETUP AND PARKING

We require that exhibitors locate their booths, unload and exit before setting up, to reduce congestion and clear the field before visitors arrive. There is limited parking located close to the booths. **WE CAN NO LONGER OFFER RESERVED PARKING SPOTS.**

There are two set-up windows – 6:30 to 8:00 am for booths on the periphery of the field, and 8:00 AM to 9:30 AM for booths in the centre. We have tried various scheduling arrangements to minimize congestion over the years – this is the arrangement which works best. If you truck your tent and art into the park (i.e. if you do **NOT** drive your car onto the field) you are welcome to set-up any time between 6:30 and 9:30. Once your application has been accepted we will send an e-mail notifying you of your allotted arrival time.

Absolutely no set up after 9:30 by which time all cars need to be off the field.

ADS

An estimated 4200 people came through the gate last year. A small booklet with exhibitor's names, booth numbers and booth location is handed out to exhibitors and attendees. Business card sized ads in the booklet have proven to be very successful. Once your application has been accepted we will send an e-mail notifying you. Ad specifications will be sent out with your notice of acceptance to the show.

Thank you!

We hope you enjoy Art in the Park 2017

Payment: Please note Payment MUST accompany this application.
